"Hector"

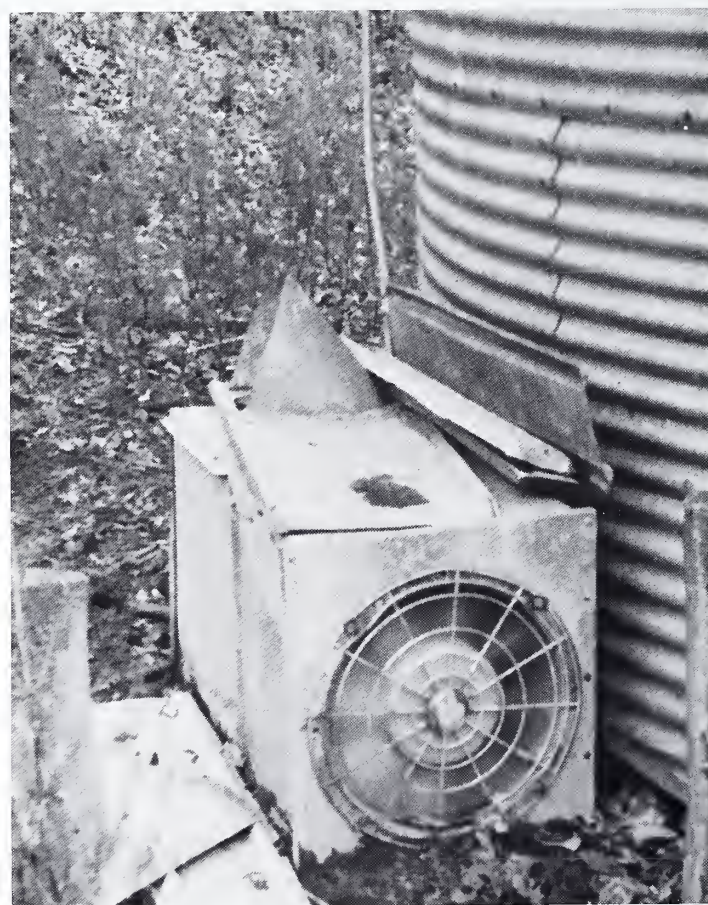

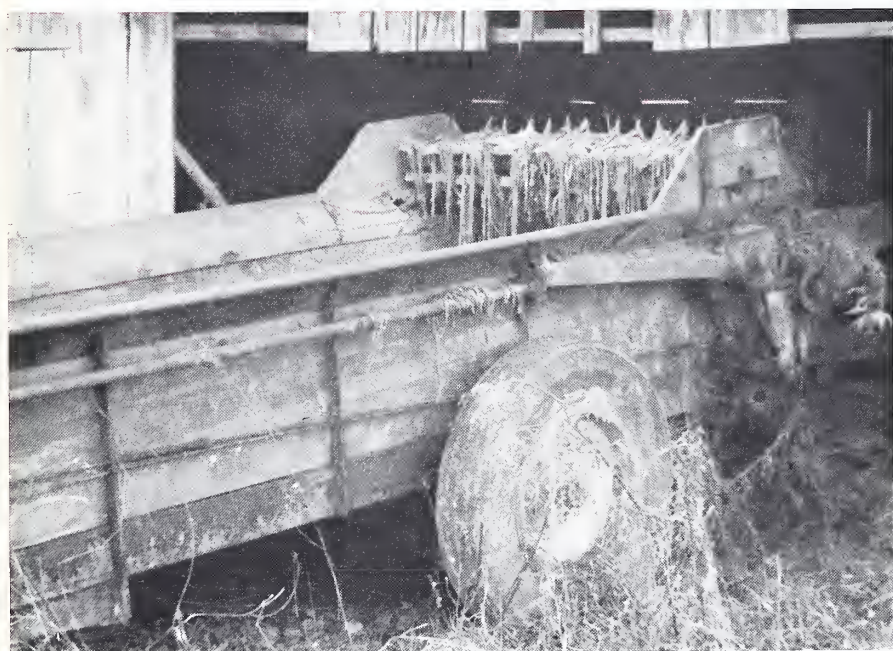

Perhaps the least publicized yet most beautiful section of Pikeville College is the College Farm. The next few pages hope to depict some of the natural beauty and splendor that too few people have a chance to enjoy.

The Farm is used as a means of escape by some who wish to substitute some of life's beauty and tranquility for some of life's anxieties.

Even the most mundane objects have their beauty.

Pikeville College Choir on Tour

tour.

However, from the appearance of things it could not have been that demanding.

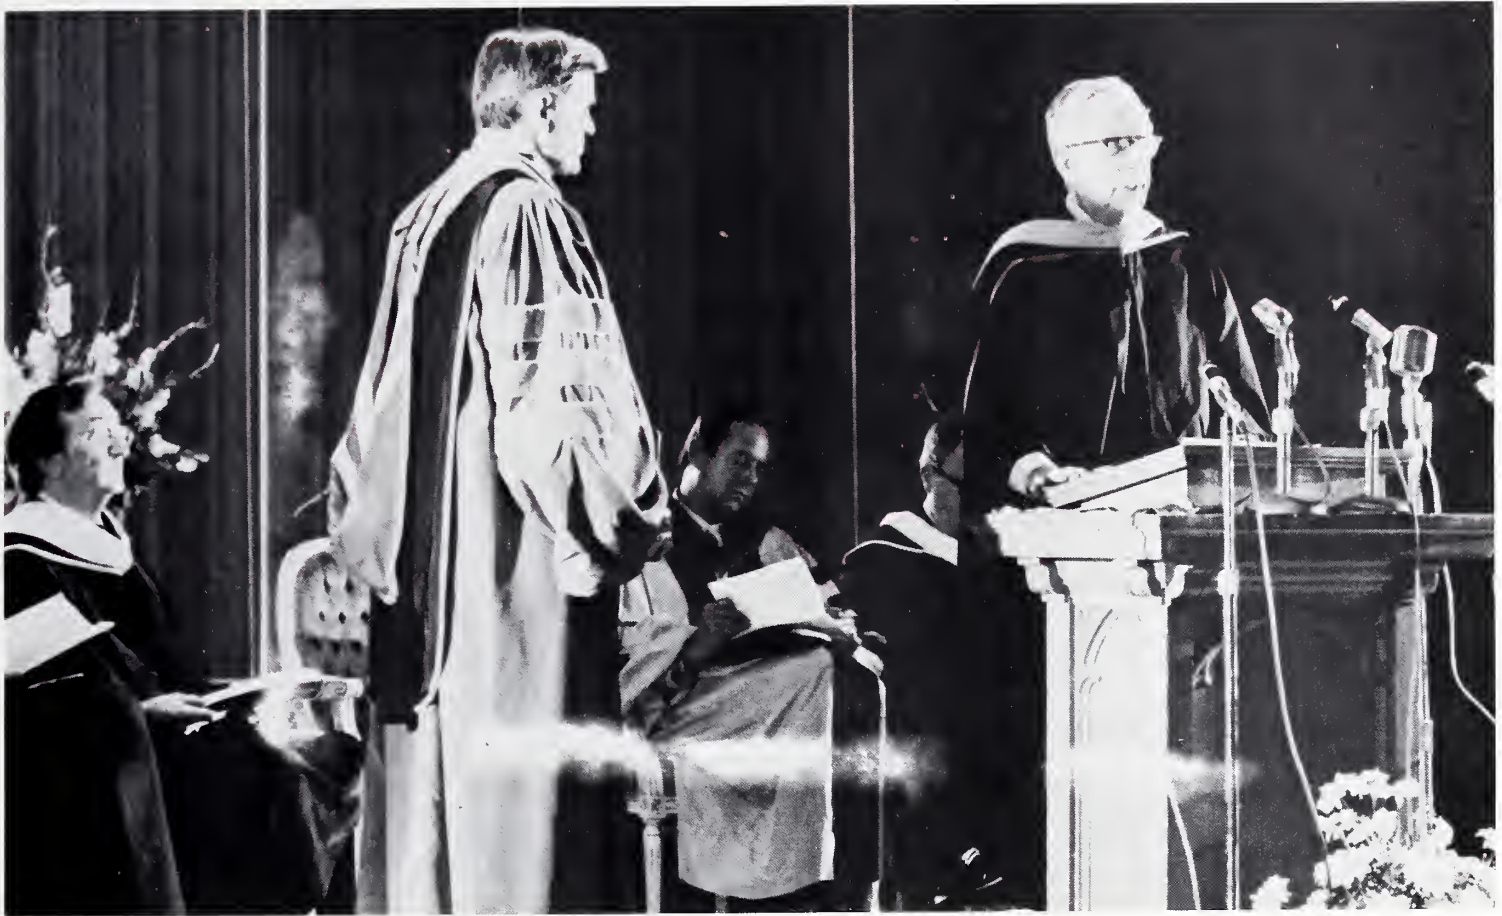

Could our dear darling DuPont have anything to do with the reaction of the girls in the choir?

When performance time comes: however, they really know how to perform.
